

LEFARS Rainbow and Dove weekend 28/29 May 2022

GB60LR

Afternoon all, this time of year it's the Rainbow and Dove weekend on May 28th and 29th.

The club will have the event shelter, trailer mast and an operating tent. We shall be operating on 80 metres and 40 meters HF plus two meters SSB and FM.

Should you wish to bring your own equipment, please let the Secretary know what equipment you will be bringing, especially what aerial configuration. Also liaise with the Committee about which bands may be used but bandpass filters will need to be used to avoid interference.

Camping is available, please book your pitch with the Secretary secretary@lefars.org.uk.

We will have the normal catering box in the event shelter for tea and coffee and there is always food and refreshments available in the Rainbow and Dove Pub.

We shall be dining on Saturday night as usual, please book you place with the Secretary.

Assistance is required for the set up on Friday after 1600, Saturday morning and the knock down on Sunday afternoon/evening, please indicate if you are able to help.

Warning.

On Sunday 29th May, there is a major London to Essex cycle race, Ride London-Essex 100, and major roads will be closed to traffic. Also a shorter 60 mile route to Ongar and back to Hainault Forest and Woodford, finish at Tower Bridge. A further 30 mile shortened route extends to Woodford, same Tower Bridge finish line.

More details to plan your route. Note that the R&D is very close to the M11 Harlow junction 7.
